### Things that are going on in our lives personally:

Cynthia and I are doing well. We have had a busy first of the year without any major health problems. My tests have all been good this year outside of a few high blood pressure spells. I would like to mention prayer for my son Alex who is still having a problem with his throat.

### Top five accomplishments of our ministry over the past six months:

a. Two new ministers for our work in Belize were presented during the Leadership Summit. Rev. Immer Torres and Manuel Guardado. Bro. Immer Torres was ordained during the January 12th service and Bro. Manuel Guardado was accepted and transferred to CMC. This is a huge boost in our ministry and we are excited for our Mission Belize ministry as we grow. Please pray for Manuel and Immer as they serve the Lord and that their ministry would be blessed by the Lord.

b. Also, Belize leadership summit was held January 10th - 12th at Fuente de Vida CMC in Orange Walk Town. Because of iced runway conditions at US airports several flights of those invited were canceled. However, we had 12 who did make it to Belize and we had an amazing time. Dr. Chris Lohrstorfer led two mornings of teaching on holiness. Also, presentations were made by Dr. Ronnie Morgan, Jacob Windham, and Glen Pope. In the afternoons our Belize leaders made presentations on our vision and work. Other CMC attendees were Darlene Morgan, Hannah Windham, Rev. Robert & Anne Moseley, Rev. Bruce Jenkins, and Rev. Bobby Bentley.

c. Cynthia and I also completed a Baby Kit ministry to Toledo District in January and delivered another 65 kits to the health clinic in Santa Teresa village. While there we took the opportunity to give one of the expectant mothers a completed kit and pray for her to be blessed with a healthy child. We also had an opportunity to visit within the village and had a chance to visit the village school. Please pray for these Baby Kits to bless the families of Toledo District.

#### d. Fuente de Vida Activity

This year, the men and women of the church initiated a devotional plan for studying the book of Ephesians. The aim is to equip the church with a devotional template so that there may be spiritual growth. This plan is also designed to include all our youth and eventually our children. For instance, Yahir Guardado, Bro Manuel Guardado's son, has decided to demonstrate his faith by taking this step of baptism. We celebrate with the Guardado family and pray our youth will grow strong in their faith for the Lord.

e. This year we were the "recipient" of Samaritan's Purse program again. We hosted 70 children who participated in the program, here they not only received a gift but also heard about how our biggest gift who is Jesus Christ. All in all, 17 children accepted Christ and are planning to continue their fellowship by participating in a discipleship group for 12 weeks. I am excited our own CM leaders will be sharing and disciplining these kids for the Lord.

f. Here is a compassionate outreach note I will add. Recently we were informed of a tragic story involving Giselle Cocom. She has been diagnosed with a female cancer stage three. She has had treatments in Belize but now will have to go to Chetumal Mexico. So, we saw this as an opportunity to visit her and provide financial assistance and share the gospel. After this visit, she and her family have been attending church very regularly. Recently, we visited her again and brought her some goodies since she was celebrating her birthday along with her daughter. Please help us lift up Giselle and her family.
