

There is a small church “in the middle of nowhere” it seems, but that has not been forgotten by the Lord. Different churches and people have been involved in carrying the Gospel to this small village in Mexico. A lady from Louisiana (Mary Alice Varnell) sent funds to construct the church building. I cannot remember the year, but it was over 50 years ago. Different missionaries and churches from our CM churches in Mexico have been instrumental in presenting the wonderful news of “our dear Saviour’s birth” to these dear ones. Mike and I went when we lived in Mexico. It was a trip that seemed like we were driving through the bushes. Some of the kindest happiest people in the world live there in spite of the poor conditions of many of them.

For a few years no one has been going there because of its remote location. In October Cesar Cruz one of our national missionaries felt the need of once again having weekly services on each Sunday. The yards were overgrown and the church needing cleaning and repair. The following pictures show the progress made.

We can only imagine what great things that are to come at this church. Please pray for them.  
*So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase.*
